# Vacation Care

## FAQ's:

### 1. How much does it cost?

We are a Child Care Subsidy (CCS) eligible service, which means your out of pocket expense will vary based on your individual eligibility requirements. We have listed a full fee amount as well as the maximum reduction available (if eligible for full 85% subsidy). For your individual fee reduction and to check your CCS eligibility, simply log into MyGov and complete your CCS Assessment.

### 2. Who can attend?

Our Vacation Care services are open to school aged children who are eligible to attend primary school. Whether you are an existing YMCA OSHC family or a new enrolment you are welcome at any of our Vacation Care services.

To be eligible to use our Vacation Care services, children must be eligible to enrol at school. Children eligible to start school in 2020 and attending Vacation Care for the first time, may only attend excursions if a risk assessment, completed by the Coordinator, identifies the child has the required level of maturity.

### 3. How do I book?

Existing families are encouraged to use their My Family Lounge login to book online. (If you do not know your login, contact our Child Care Team for help).

New families are required to enrol online through the Y NSW website with their preferred YMCA OSHC service. After online enrolment is completed, please contact our Child Care Team to activate your booking.

### 4. What do I need to bring?

Children are required to bring a water bottle, morning and afternoon tea and lunch (unless stated on program that these will be provided on particular days). Children are to also bring a hat, as well as wear comfortable, weather suited clothes and closed in shoes.
