

CANTEEN HELPERS REQUIRED!

(for just 2 hours ONCE per term)

The Canteen is seeking a team of volunteer helpers who can offer up just a few hours once per term. We are specifically looking for help on Fridays but would love to hear from people available for any of the canteen days or our "special" days (once a term or so).

- Canteen Assistants are required for approximately two hours each rostered Canteen Day (9.00-11.00am).
- It is preferable to roster each volunteer only once per term (providing we get enough volunteers).
- Arrangements can be made for volunteers to be rostered on with friends.
- Fridays are our busiest day requiring at least two assistants.
- Younger children are always welcome.

If you are able to assist, please complete the form below and return to the office. Remember to mark whether you have a friend or two you wish to be rostered on with and also whether you are available on your nominated day at short notice in an emergency.

Alternatively, please contact **Tracey Walker**
directly on **0408 101 100**
or drop into the canteen for a chat.
