## Term 1, 2020 – Footsteps Dance Program K-6 – Medical Insurance Note

Information about Medical Insurance should be read and signed to ensure your child is able to take part in this event.

In the event of injury, no personal injury insurance cover is provided by the NSW Department of Education and Communities for students in relation to school sporting activities, physical education lessons or any other school activity. Parents and caregivers are advised to assess the level and extent of their child's involvement in the sport program offered by the school, school sport zone, area and state school sport associations when deciding whether additional insurance cover is required.

Personal accident insurance cover is available through normal retail insurance outlets. Parents who have private ambulance cover also may want to check whether that cover extends to interstate travel and make additional arrangements as considered appropriate. The NSW Supplementary Sporting Injury Benefits Scheme, funded by the NSW Government, provides limited cover for serious injury resulting in the permanent loss of a prescribed faculty of the use of some prescribed part of the body. Further information can be obtained from [www.sportinginjuries.com.au](http://www.sportinginjuries.com.au)

Further information regarding student accident insurance and private health cover is provided at: <http://www.sports.det.nsw.edu.au/spguide/activities/general/resources/protection.php#medi>

Please read the declaration below and return the signed slip for your child to participate in Footsteps.

Regards,

Maria Lambos - Principal
