We are an **all abilities inclusive** football team for children and adults who live in the Blue Mountains. Each Saturday we get together to play football in a relaxed environment where players **learn ball skills, make friends, participate in a team sport and most importantly have fun!** We finish every week with a sausage sizzle and a chat. Siblings are very welcome to join us too!

New and returning players can register online at www.playfootball.com.au. Families can choose to use their active kids voucher. Please see the Hawks web page for instructions- www.hazelbrookhawks.com.au.

Bron and Lisa are able to assist with rego at the pitch too. Fees are \$80 per family. It's never a problem if you can't pay but please still register for insurance purposes.

New players are welcome to come along for a couple of weeks to try before registering. We break over school holidays.
