

St Bernadette's Primary School Dundas Valley

27 February 2020

Dear Parents,

As we begin the new school year we would like to offer the opportunity for you to connect with other parents in our whole school community. We plan to do this via a Parent Contact Booklet. Previously, class contact lists were distributed to the parents of their child's class at the beginning of each school year.

However this year, we would like to share parent contact details to the whole school community in the form of a booklet. By adding your details to this list you are sharing these details with our whole school community and not just your child's grade.

It is important that all who provide their contact details are giving consent to having these published and distributed within our school community. Please remember that this is **optional** and that you are in no way obligated to provide these details.

If you are happy to do so, please fill in the attached form and return it to the school office by Friday 13 March 2020.

Kind regards,

Lisa Gerrard

Principal
