

Arts Alive Combined Schools Bands Auditions 2019

The Arts Alive Combined Schools Band Program (AACSB), which includes Primary, Junior Secondary and Senior Secondary bands as well as the extension Big Bands, is pleased to announce that applications for auditions for 2019 are now open.

The Arts Alive Combined Schools Bands offer musical extension to talented musicians who want to meet other likeminded students and play music to the highest quality.

AACSB offers its members the chance to play at many events throughout the year, including venues such as the Sydney Town Hall and the Sydney Opera House as part of the Arts Alive Primary Choral Concert Series. AACSB takes great pleasure in performing at different schools through the year to help promote the wonderful world of music. The program also offers the students to participate in tours. The primary band tours annually to a regional area in NSW. The secondary students are usually offered the opportunity to tour overseas every second year.

AACSB exists to support the School Band Program by offering talented students the opportunity to excel while still supporting their own school's program, the foundation of the AACSB Program.

In 2019, AACSB will be offering the following Ensembles:

- AACSB Primary Band - Students in Primary School (Years 4 to 6)
- AACSB Primary Big Band- Students must be members of Primary AACSB
- AACSB Junior Secondary - Students in year 7-9
- AACSB Secondary Big Band- Students must be members of a Secondary AACSB
- AACSB Senior Secondary - Students in year 9-12

For rehearsal information and application forms please visit www.artsalivecsb.com

Auditions for 2019 will be via video audition. Please visit the above website for all information.
